

## **Junior Consultant Finance-Bancassurance Services**

Armundia Group is a company specializing in the design, supply and implementation of IT solutions as well as the provision of specialist consultancy services and BPO (Business Process Outsourcing) for the banking, financial and insurance sector.

With offices based in Rome, Milan, Florence and L'Aquila, the Armundia Group benefits from a highly qualified and motivated team of professionals producing high-level solutions which employ the latest cutting-edge technologies securely, efficiently and reliably. Today, Armundia Group is an international reality and continues to grow with projects and consultancy in seven countries spread over two continents and has implemented its solutions into more than 70 financial and insurance institutions. The group controls Armundia srl, which is based in Rome, and whose main activity, in cooperation with prestigious Italian and International Universities, is research and development for the target market. Armundia Group is going to launch new BPO services from L'Aquila offices.

According to our grow project, we are looking to expand our Consulting Team with different new resources as follows:

- You will report directly to the project manager and will have the responsibility to deliver some tasks or stream into system integration projects.
- University graduate in Engineering or Economics, you are new graduate or have up to 2 years of experience as a specialist for a management consulting company, bank, insurance, insurance broker or a banking/insurance software vendor.
- Your banking & finance or insurance business knowledge will be an asset.
- The knowledge of business intelligence tools is appreciated
- Team Spirit, leadership and involvement belong to your day-to-day behaviour.
- Excellent communication skills. Fluently English is a must (any additional language is a plus) and customer facing ability.
- Availability to travel
